

# DISAPPEARING NINE PATCH

Versatile 9-patch:

Sew a 9-patch block. Block size of your choice.

Center block: dynamic color (will be quartered)

Inner blocks: background, same (will be cut)

Corner blocks: variety of prints, will NOT be cut

Sew together in your preferred order.

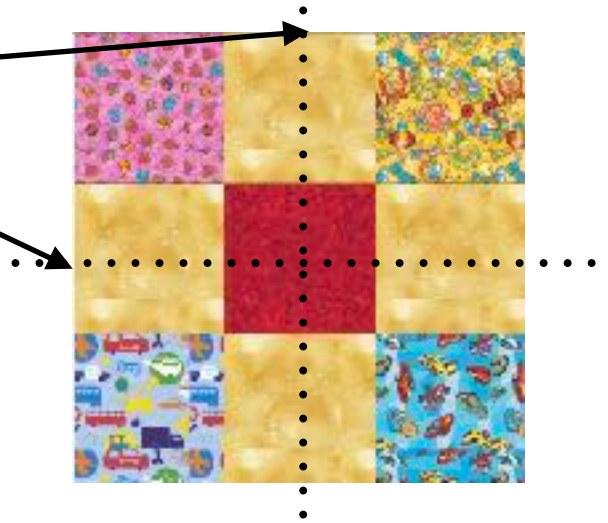

Measure your block, divide in half.

Cut into 4 pieces, vertically and horizontally.

Arrange as below, if desired, or create your own arrangement. Remember: there are no rules.

Also, can do a "search" on the internet for other versions of Disappearing Nine Patch.

Most of all — HAVE FUN!

If you want the finished quilt focus blocks to all be in the same direction, then place blocks, on two opposite corners upside down. Proceed with directions as above.
